

## **MEMBERSHIP FORM – 2009-2010**

We focus on what our membership really wants and needs. Past experience tells us that this does not appear to be monthly social meetings with speakers, deli trays, and poker. The range of our events in the last few years is too big to list here, but we do know that an opportunity for fellowship will get attention, and an e-mail for help will get the job done. Check our website:
